Why Marble Tech™ is the very best Pool Surface available today

Luxurious Marble Finish

- Bring the opulence of marble to your pool with Marble Tech™'s high-quality marine and pool gelcoat. Enjoy a classic, rich, and luxurious look that adds a touch of sophistication to your outdoor space.

Pool Armour Protection Technology

- Pool Armour Protection Technology is exclusively available from Freedom Pools. We have developed a unique and proven technology process to ensure the quality of your new swimming pool is guaranteed to provide you with a product that looks great for many years into the future.

Marble Tech™ - Interior Surface Protection Technology.
Trans Tech - Construction Technology For Surface Protection.

Flo Tech - Exterior Surface Protection Technology.
 When these three technologies are combined you get the very best quality swimming pool available with a lifetime Structural Warranty and a Lifetime Surface Warranty.

Australian Standards Assurance

- Freedom Pools' quality is measured and verified according to Australian Standards. We comply with AS/NZS ISO 9001 quality management systems. All our designs are quality assured and we build our swimming pools to product certification AS/NZS 1838:1994. Our certified construction method is approved by Lloyd's of London for the construction of boats and fibreglass swimming pools. This means that all our pools are manufactured under the strictest quality controls.

Next-Generation Performance

- Utilising AQUAGUARD®X POOL GELCOATS, Marble Tech™ represents the next generation of pool surface finishes. Enjoy superior mechanical properties and positive curing for a long-lasting, high-quality pool surface.

Enhanced Chemical and Water Resistance

- Marble Tech™ boasts the best chemical resistance of all surfaces, maintaining a pristine appearance even with regular exposure to chlorine and water.

Unmatched Quality and Durability

- Crafted from the finest materials, Marble Tech™ ensures your pool not only looks stunning but stands the test of time. This high-quality gelcoat offers a premium finish that maintains its beauty year after year.

Superior UV Resistance

- With up to 30% thicker gelcoat and UV resistance, Marble Tech™ ensures your pool surface stays vibrant and strong, resisting fading and bleaching from the sun. It is the longest fade-proof surface available.

Customisable Colours - Exclusive to Freedom Pools

- Choose from a wide array of eye-catching decorative colours to perfectly match your personal style and enhance the visual appeal of your pool.

Affordable Luxury

- Why compromise when you can afford luxury? Marble Tech™ allows you to indulge in the beauty and elegance of a marble-like finish without breaking the bank.

Extra Benefits for You

- Marble Tech™ uses up to 30% more colour pigment, providing richer, more vibrant hues that enhance your pool's aesthetic appeal. Plus, with our industry-leading Lifetime Surface Warranty, you can enjoy peace of mind knowing your investment is protected.

Worldwide Credibility

- Freedom Pools exports Marble Tech™ worldwide, showcasing our commitment to quality and excellence on a global scale. Trust a product that is recognised and valued internationally.

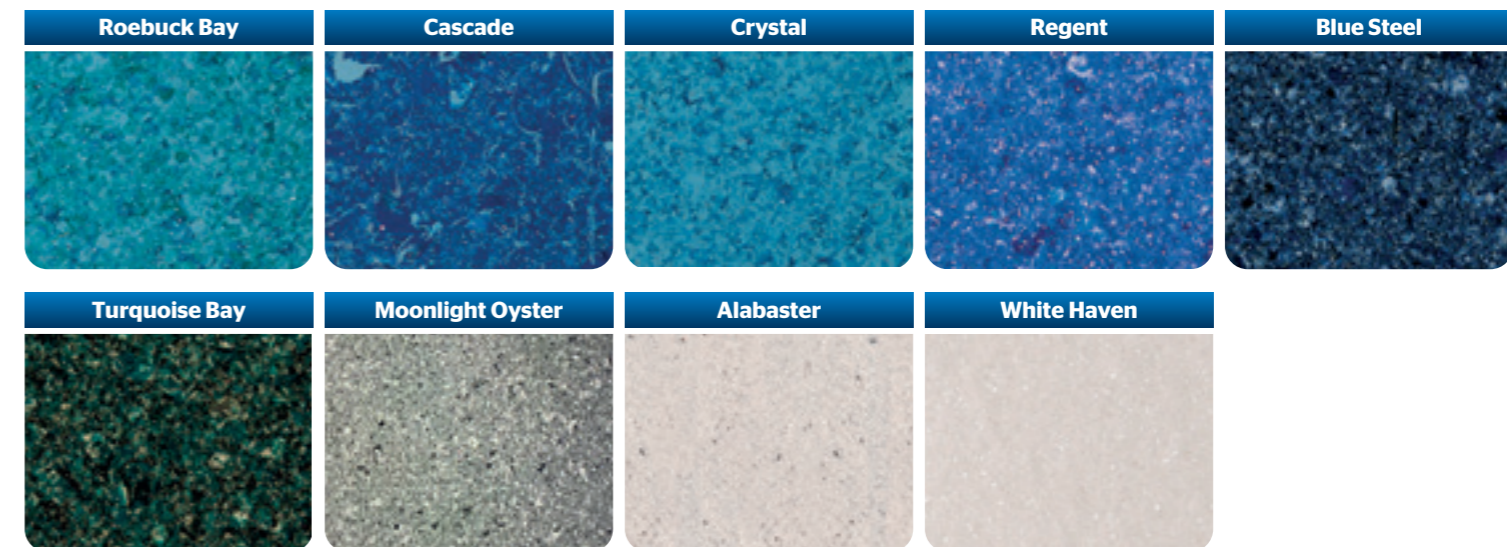

Years of Expertise and Innovation

- Marble Tech™ has been developed with 50 years of manufacturing experience to bring you the latest surface technology and enable us to offer an industry-leading Lifetime Surface Warranty. Benefit from a product born out of several years of dedicated research, development, and testing.
